

Geometric Iron Lamp Shade

This iron lamp shade features a geometric, open design. It has a bronze finish and is suitable for outdoor lighting.

Product Overview

Modern Industrial Design

The Geometric Iron Lamp Shade combines a sophisticated bronze finish with a striking open-frame aesthetic. Its interconnected geometric pattern creates a unique interplay of light and shadow, perfect for elevating modern and industrial spaces. Crafted for durability, this piece is specifically designed for outdoor lighting applications, providing both style and functional resilience.
