

Georgian Style Satin Brass Rocker Light Switch

This single light switch features a satin brass finish and Georgian style detailing. It is equipped with a red rocker switch and screw holes for mounting.

Product Overview

Classic Georgian Elegance

This Georgian Style Satin Brass Rocker Light Switch combines timeless aesthetic appeal with functional design. Featuring a sophisticated satin brass finish and classic detailing, it is an ideal choice for heritage-inspired interiors or electrical installations requiring a refined, vintage look. The unit includes a distinct red rocker switch for clear operation and is designed for standard mounting applications.
