

Glass Door Beverage Display Freezer

This beverage display freezer features a transparent glass door, ideal for showcasing drinks. It includes adjustable shelves, interior lighting, and temperature control for optimal storage in retail environments.

Overview

Compact Beverage Display Solution

This compact beverage display freezer is designed for optimal retail visibility and efficient cooling. Featuring a transparent glass door and adjustable temperature settings, it ensures drinks are kept at the perfect temperature between 0 and 10°C. Its space-saving design makes it an ideal choice for convenience stores, restaurants, and retail environments looking to maximize product appeal.
