

Glass Door Beverage Display Freezer

This beverage display freezer features a glass door for showcasing drinks. It is designed for commercial or residential use, offering efficient cooling in a space-saving design.

Product Overview

Compact Beverage Display Solution

This compact beverage display freezer is designed for efficient cooling and attractive product presentation. It features a glass door for high visibility, making it an ideal choice for showcasing canned drinks in commercial or residential settings. With manual temperature adjustment and a space-saving design, it ensures optimal storage conditions while fitting into smaller footprints.
