

Glass Scoring Cutter Tool

This glass cutter features a durable cutting wheel for accurate and clean scoring. Its comfortable handle enhances control and reduces hand fatigue during use.

Product Overview

High-Efficiency Glass Scoring

This glass scoring cutter tool is engineered for precision and durability, featuring a specialized cone-shaped cutting head that ensures clean, accurate scores every time. Designed with user comfort in mind, the handle provides enhanced control to reduce hand fatigue during extended use. It is an essential tool for both professional glassworking projects and high-quality DIY applications.
