

Glass Top Dining Table with Chrome Frame

This dining table features a clear glass top, offering a modern and sleek look. It is supported by a chrome-finished metal frame, ensuring stability and style.

Product Overview

Modern Minimalist Dining Table

This modern dining table features a clear glass top that provides a sophisticated and airy feel to any contemporary dining space. Supported by a robust chrome-finished metal frame, the design emphasizes clean lines and structural integrity. Ideal for smaller spaces or multi-functional rooms, this table seamlessly pairs with the included red folding chair for versatile seating solutions.
