

Gloss Black Double Slat Front Kidney Grilles for BMW X5 F15/X6 F16 (2014-2018)

These gloss black double slat front kidney grilles are compatible with BMW X5 F15 and X6 F16 models manufactured from 2014 to 2018. Constructed from durable ABS plastic, these grilles offer an easy installation process, enhancing the vehicle's appearance.

Product Overview

Sporty Front-End Enhancement

These gloss black double slat front kidney grilles are designed to provide an aggressive, modern aesthetic upgrade for compatible vehicles. Engineered for a precise fit, these grilles serve as a direct replacement for factory components, ensuring a seamless installation process without the need for modifications. Crafted from durable ABS plastic, they are built to withstand various weather conditions while maintaining their sleek, high-gloss finish.
