

Goldcell Batteries

High-performance Goldcell batteries are designed for various electronic devices. They are available in multiple sizes and configurations, including AA, AAA, C, and D cells.

Overview

High-Performance Power Solutions

These batteries are engineered to deliver reliable and long-lasting energy for a wide range of electronic devices. Designed for consistent performance, they are an ideal choice for both everyday household items and high-drain equipment. With multiple size configurations available, they ensure compatibility across various portable electronics and remote-controlled devices.

Technical Specifications

Model References

- LR6 (AA)
- LR03 (AAA)
- R14 (C)
- R20 (D)

Voltage	1.5 V
Available Sizes	AA, AAA, C, D

Applications

Ideal Applications

Toys • Remote Controls • Portable Electronics
