

Gravity Feed Air Spray Gun

This high-performance spray gun is designed for a variety of coating applications. It features a gravity-feed cup and adjustable controls for precise and consistent finishing.

Product Overview

Professional Performance Gravity Feed Spray Gun

This high-performance gravity feed spray gun is engineered for versatility across automotive, industrial, and woodworking applications. Designed with an ergonomic grip for comfort, it ensures precise control during extended operation. Users benefit from adjustable spray patterns and fluid settings that provide a consistent, even finish while minimizing material waste.

Key Features

Advantages

Consistent Finish, Minimal Overspray, Ergonomic Design, Adjustable Pattern, Durable Construction

Operational Requirements

Utility Requirements

- Compressed air source required for operation

Applications

Suitable Industries

Automotive • Industrial • Woodworking
