

Gravity Feed Automotive Spray Gun

This high-performance gravity feed spray gun is designed for a variety of applications including automotive, industrial, and woodworking. It features adjustable fluid, fan pattern, and air pressure controls that allow for precise application.

Overview

Professional Gravity Feed Spray Gun

This high-performance gravity feed pneumatic spray gun is engineered for precision and durability. It features high transfer efficiency and stable performance, making it a reliable choice for medium viscosity painting, including middle and prime coatings on cars, machinery, and furniture. With adjustable controls and a durable design, it ensures consistent material flow and professional results.

Technical Specifications

Fluid Delivery Rate

160 ml/min

Min Delivery

240 ml/min

Max Delivery

Air Consumption

3 CFM

Min Consumption

8 CFM

Max Consumption

Cup Capacity

- 600ml
- 1000ml

Nozzle Size

1.5 mm

Working Pressure

43 psi

Air Inlet Size

1/4 inch

Tool Weight

0.53 kgs

Logistics

Logistics Information

Item No.	Capacity	Inner/Ctn	Outer/Ctn
681006	600ml	1	20
681010	1000ml	1	10

Packaging Type

Triple Wall Corrugated Carton

Delivery Lead Time

14 Days

Features

Available Finishes

Polished Metal • Powder Coated • Chrome-plated • Nickel-plated • Anodized
