Product Overview

High-Performance Grinder Wear Parts

These professional-grade grinder tips are engineered for optimal performance and longevity in demanding construction and industrial grinding applications. Featuring robust, high-grade alloy steel construction, they are designed to withstand high-impact forces and abrasive conditions. These wear parts ensure efficient material removal, consistent grinding results, and enhanced operational productivity.

Compatibility

Compatible Machinery Brands

- Bandit
- CBI
- Diamond Z
- Duratech
- Hogzilla
- Morbark
- Norkot
- Olathe
- Precision Husky
- Packer
- Peterson
- Rayco
- Rexworks
- Screen USA
- Toro
- Vermeer
- WHO
- Zehr
- Fecon
