

GT Style Vertical Bar Car Grille for Mercedes-Benz W205 (2019)

This GT-style grille is designed for Mercedes-Benz W205 models manufactured in 2019. It features vertical bars and is constructed from high-quality materials for direct replacement of the factory grille.

Product Overview

GT-Style Performance Grille

This GT-style vertical bar grille is designed specifically for the 2019 model year of the W205 platform. It provides a sleek, aggressive aesthetic upgrade that enhances the vehicle's front-end appearance while maintaining a precise, direct-fit replacement for the factory component. Constructed from durable ABS material, this grille is engineered for longevity and resistance to environmental elements.
