Product Overview

Stator Right Crankcase Cover

This high-quality stator right crankcase cover is engineered for GY6 engines, specifically the 139QMB model. It provides a durable and protective housing for the stator and other critical internal engine components, ensuring the integrity and longevity of the engine. Designed for precise fitment, it is an essential component for maintenance and repair of various Chinese scooters and motorcycles.

Compatibility

GY6 50/80cc
139QMB

High Quality Parts & Kits by Nihao Motor

Precision-engineered for compatibility with 139QMB engines.

Compatible Brands

- BAOTIAN
- BASHAN
- BENZHOU
- CFMOTOR
- GILERA
- JONWAY
- KEEWAY
- KYMCO
- LIFAN
- LONCIN
- PIAGGIO
- RIEJU
- SYM
