

Hand Blender Set with Attachments

This hand blender set is designed for a variety of kitchen tasks. It includes a powerful hand blender with attachments such as a whisk, chopper, and blending beaker.

Product Overview

Versatile Kitchen Performance

The HB23-01B Hand Blender Set is designed for efficient and versatile food preparation. Featuring a 400W motor, this set includes multiple attachments such as a whisk, chopper, and blending beaker to handle tasks ranging from blending soups and sauces to whipping cream and chopping vegetables. Its compact design ensures easy storage, while dishwasher-safe components make cleanup simple and convenient.
