

Hand Fork and Hoe Combo Tool

This tool combines a 3-tine hand fork and a hoe for versatile gardening tasks. Its compact size and ergonomic handle make it easy to use and store.

Overview

Versatile Gardening Essential

This 2-in-1 combo tool features a robust 3-tine hand fork on one end and a precise hoe on the other, making it an essential companion for small-scale gardening tasks. Designed for efficiency, it excels at loosening compacted soil, cultivating garden beds, and removing stubborn weeds with ease. The ergonomic handle ensures comfort during extended use, while the compact 290mm length offers excellent maneuverability and convenient storage.
