

Handheld Board Saw

This is a handheld board saw designed for cutting boards. It features a straight, rectangular blade and an ergonomic handle.

Product Overview

Professional Handheld Board Saw

This handheld board saw is engineered for precision and efficiency in woodworking and construction environments. Featuring a robust, straight rectangular metal blade, it is designed to deliver clean cuts across various board materials. The ergonomically designed handle, finished in a high-visibility yellow and black color scheme, ensures a comfortable and secure grip for extended use.

Physical Characteristics

Blade Material	Metal
Handle Design	Ergonomic, Yellow and Black
