

Handheld High-Pressure Steam Cleaner

This compact handheld steam cleaner uses high-pressure steam to remove dirt, grease, and stains. It includes attachments for cleaning corners, crevices, and upholstery.

Product Overview

Professional Cleaning Performance

This handheld high-pressure steam cleaner offers a versatile, chemical-free solution for professional and home environments. Its powerful steam output effectively dissolves grease, grime, and stubborn stains from a variety of surfaces. Designed for portability and ease of use, it is an ideal tool for targeted sanitation in offices and homes.
