

Handheld Multi-Surface Steam Cleaner

This handheld steam cleaner is designed for versatile cleaning tasks. It features a compact design and includes attachments for various surfaces, along with a safety lock mechanism and indicator lights.

Product Overview

Versatile Steam Cleaning Performance

This handheld steam cleaner offers a compact and ergonomic solution for effective cleaning and sanitizing across various household surfaces. With a rapid 3-minute warm-up time, it is designed for quick deployment in busy environments. The inclusion of a safety lock ensures secure operation, while the dual-tank capacity allows for efficient maintenance of cleanliness.
