

Hanging Car Air Freshener Pendant

This elegant car perfume pendant is designed to hang from the rearview mirror, infusing vehicles with a delicate fragrance. The pendant features a stylish, transparent reservoir containing aromatic oil, allowing for a slow and continuous release of scent.

Product Overview

Elegant Automotive Fragrance Solution

This hanging car air freshener pendant combines sophisticated aesthetics with functional aromatherapy. Crafted from durable stainless steel and high-quality quartz, the watch-inspired design serves as an elegant interior accessory for any vehicle. It provides a continuous, delicate fragrance release, helping to maintain a pleasant and relaxing atmosphere during your commute.
