Product Overview

Versatile 2-in-1 Cleaning Power

This 2-in-1 steam mop and handheld cleaner provides an efficient, chemical-free way to sanitize and deep clean your home. Featuring a quick 25-30 second heat-up time and a flexible swivel head, it is engineered for maneuverability across tile, hardwood, and laminate flooring. Its dual-function design allows users to easily transition between floor cleaning and handheld steam tasks to blast away tough dirt and grime.

Technical Specifications

Power Output	1200 W
Voltage Compatibility	100-120V, 220-240V
Heat-up Time	25 s
Tank Capacity	350 ml
Steam Run Time	10-25 minutes

Performance Metrics
