

Hardwood Interior Door with Raised Panel

This solid hardwood door features a traditional raised panel design. It is ideal for interior use, offering both aesthetic appeal and structural integrity.

Product Overview

Premium Hardwood Craftsmanship

This meticulously crafted full solid door is constructed from high-quality hardwood, offering a blend of traditional aesthetic appeal and robust structural integrity. Designed with raised panel detailing, it provides excellent insulation and soundproofing properties, making it an ideal choice for both residential and commercial interior applications. The natural wood finish allows for versatile customization, enabling users to easily apply paint or stain to match any interior decor.
