

Heavy-Duty Canvas Work Pants

These canvas working pants are constructed from heavy-duty canvas fabric for exceptional durability. They feature multiple reinforced pockets and reinforced knee areas, ideal for demanding work environments.

Product Overview

Heavy-Duty Canvas Work Pants

These heavy-duty canvas work pants are designed for demanding environments, offering a perfect balance of durability and comfort. Constructed with a robust polyester-cotton blend, they feature triple-stitched seams and reinforced pockets to withstand rigorous daily use in trades like construction, mining, and offshore work. With a versatile design and multiple size options, these pants provide the functionality and reliability professionals require on the job.
