

Heavy-Duty Cast Iron Pipe Wrench

This heavy-duty pipe wrench is suitable for plumbing and pipe fitting tasks. Its sturdy cast iron housing and drop-forged steel jaw provide strength and durability for tightening or loosening pipes and fittings.

Product Overview

Professional Grade Pipe Wrench

This heavy-duty pipe wrench is engineered for demanding plumbing and industrial pipe fitting applications. It features a robust cast iron housing paired with a drop-forged steel jaw to ensure superior strength and long-term durability. The adjustable jaw mechanism provides a secure, reliable grip on a wide range of pipe sizes, making it an essential tool for tightening or loosening fittings in plumbing and gas systems.
