Product Overview

Built for Heavy-Duty Performance

This heavy-duty hand trolley is engineered for the efficient and safe transport of goods in demanding environments such as warehouses, workshops, and general industrial settings. Constructed with a robust steel frame and finished in a durable blue coating, it provides the structural integrity required for moving heavy loads with ease. The design incorporates pneumatic tires with a deep tread pattern, ensuring stability and smooth movement across various surfaces.

Construction & Design

Frame Material	Steel tube
Frame Color	Blue
Key Features	Ergonomic Handles, Pneumatic Tires, Wide Base Plate, Deep Tread Pattern
