

Heavy-Duty Metal Pulley with Hook

This heavy-duty pulley is equipped with a hook for secure attachment. Constructed from durable metal, it is designed for lifting and moving heavy objects.

Product Overview

Industrial Casting Pulley

This heavy-duty metal pulley is engineered for demanding industrial and construction environments where reliable lifting and material movement are essential. Featuring a robust metal frame and a smooth-rolling wheel, it ensures efficient operation and long-term durability. The integrated hook design allows for quick, secure attachment, providing enhanced stability for a variety of heavy-duty applications.

Technical Specifications

Rated Load Capacity

100 kg

Load Capacity

Construction Material	Cast Metal
Key Features	Heavy-Duty, Smooth-Rolling, Hook Attachment, Corrosion Resistant
