

Heavy-Duty Poly Yard Dump Cart with Pneumatic Tires

This heavy-duty poly yard dump cart is designed for hauling heavy loads in your yard or garden. The cart features pneumatic tires for easy maneuverability, a dumper function, and a rust-proof, easy-to-clean plastic tub.

Product Overview

Heavy-Duty Utility Solution

This heavy-duty poly yard dump cart is engineered for demanding landscaping and gardening tasks. It features a rust-resistant, impact-proof poly tub and a robust steel frame designed for quick assembly. With its zero-turn steering and stable four-wheeled base, this cart significantly reduces fatigue when transporting heavy materials like soil, mulch, gravel, or plants.

Design & Construction

Key Features	Rust-resistant, Impact-resistant, Quick-release dumping, Zero-turn steering
Frame Material	Steel
Tub Material	Poly

Performance & Mobility

Mobility

- 4-wheeled stability
- Zero-turn steering
- Pneumatic tires
- Padded handle

Tire Type	Pneumatic
