

Heavy-Duty Rubber Utility Mat

This utility mat is made of heavy-duty rubber. It features a raised diamond pattern for enhanced grip and containment.

Product Overview

Heavy-Duty Protection

This heavy-duty rubber utility mat is designed to provide superior floor protection against water, debris, and daily wear. Its specialized raised border design ensures that spills and dirt are contained, keeping vehicle interiors clean and safe. Crafted for durability and ease of maintenance, this versatile mat serves as an essential upgrade for any car, truck, SUV, or van.
