Product Overview

Heavy-Duty Suspension Solution

This heavy-duty leaf spring suspension system is engineered for demanding applications, providing reliable load-bearing capabilities and enhanced vehicle stability. Designed for compatibility with a wide range of truck models, it ensures consistent performance and ride comfort under significant stress. Built to rigorous manufacturing standards, this component is an essential element for maintaining vehicle safety and handling in heavy-duty transport.

Technical Specifications

Supported Suspension Types

Bogie Suspension • Air Suspension • German Type Suspension

Load Capacities

24T, 28T, 32T

Quality Standard

TS 16949

Compatibility

Compatible Truck Brands

- Benz
- Steyr
- Mitsubishi
- MAN
- Volvo
- Hino
- Nissan
- TRA
- DAF
- Trailer
- Dongfeng
- Foton
- Jiefang
- Hongyan
- Shannxi
