

Heavy-Duty Wire Cutting Pliers

These heavy-duty cutting pliers are designed with hardened cutting edges for reliable and durable cutting performance. Their ergonomically designed handles provide a comfortable and secure grip, reducing hand fatigue during extended use.

Product Overview

Professional Cutting Performance

These heavy-duty cutting pliers are engineered for reliable and durable performance in demanding work environments. Constructed from high-quality steel, they offer superior strength for cutting through various materials, including wire, cable, and fasteners. The ergonomic handle design ensures a comfortable and secure grip, helping to reduce hand fatigue during extended periods of professional use.

Technical Specifications

Construction Material	High-quality steel
Suitable Materials	Wire, Cable, Fasteners

Design & Ergonomics

Handle Design

Ergonomic • Anti-fatigue

Key Features

- Hardened cutting edges
- Durable construction
- Secure grip
