

# Hedge Trimmer

This is a hedge trimmer used for cutting and shaping hedges. It is designed to provide a clean and even cut for maintaining garden greenery.

## Product Overview

### Professional Hedge Trimmer

This high-efficiency hedge trimmer is designed for precision pruning and maintenance tasks in agricultural settings, including tea gardens, mulberry fields, and wicker cultivation. Engineered for durability and ease of use, the unit features a lightweight build that ensures operator comfort during extended work sessions. Its robust construction makes it a reliable tool for professional landscaping and agricultural maintenance.

## Technical Specifications

### Maximum Power

**0.65 kW**  
Max Power

**7500 r/min**  
Rated Speed

Engine Model	IE32F
Displacement	22.5 cc

## Performance

Cutting Width	750 mm
Blade Type	Reciprocating Double Blade

## Fuel System

Fuel Tank Capacity	0.6 L
--------------------	-------

## Physical Characteristics

### Weight

Type	Weight
Net Weight	5.3 kg
Gross Weight	6.8 kg

## Product Features

Key Features	Lightweight, High Efficiency, Easy to Carry, Durable Construction
