

High-Capacity Office Paper Shredder

This high-capacity paper shredder is designed for office use, providing secure destruction of sensitive documents. The shredder features a large waste bin, automatic start/stop functionality, overload protection and is mounted on casters for easy mobility.

Product Overview

Professional Shredding Solution

This high-capacity paper shredder is specifically engineered for rigorous office environments where secure document destruction is a priority. It provides reliable performance through automatic start/stop functionality and essential overload protection to prevent jams. Equipped with a large waste bin and smooth-rolling casters, it ensures efficient workflows and easy mobility throughout the workplace.
