

High-Intensity LED Camping Light with Reflector and Panel

This camping light features both a focused high-intensity LED and a wide-area LED panel. It is equipped with a handle and a stand for convenient placement.

Product Overview

High-Intensity Versatile Lighting

This rechargeable spotlight offers dual-mode illumination, combining a powerful 100W halogen beam for long-distance projection with a secondary 18-LED panel for broad area lighting. Designed for reliability in outdoor and emergency scenarios, it features a robust 6V 4Ah lead-acid battery. The package includes both AC-DC and car chargers, ensuring you stay powered in various environments.
