

# High-Intensity LED Torch Flashlight

This high-intensity LED torch and flashlight is designed for various illumination applications. It features a durable construction, ergonomic grip and a powerful LED light source.

## Product Overview

### Professional Illumination Solution

This high-intensity LED torch is engineered for professional illumination requirements across diverse environments. Featuring robust construction and an ergonomic design, it provides reliable light output for both indoor and outdoor utility. The powerful LED source ensures optimal brightness for mission-critical tasks and long-lasting operational performance.

## Technical Specifications

Model ID	LEDJ4-1-119
Light Technology	High-Intensity LED

## Features

### Key Attributes

- High-intensity LED output
- Durable construction
- Ergonomic grip design
- Suitable for indoor and outdoor use
