

High-Performance Auto Engine

This high-performance auto engine is designed for efficiency and reliability. Featuring robust construction and advanced engineering, it delivers optimal performance in various driving conditions.

Overview

High-Performance EFI Petrol Engine

This high-performance auto engine is engineered for superior efficiency and long-term reliability. Designed with robust construction and advanced engineering, it delivers optimal power and torque output across various driving conditions. It serves as a versatile solution suitable for a wide range of vehicle applications requiring consistent performance.

Technical Specifications

Compatible Model Series	LJ465QE, LJ465Q-1AE
Engine Type	EFI Petrol Engine
