Product Overview

High-Performance Engine Cooling

This high-performance intercooler is engineered to significantly enhance engine efficiency by effectively cooling the intake air charge. Designed for demanding automotive applications, it features a robust core construction that ensures optimal heat transfer and a reduced pressure drop. This upgrade helps maintain lower intake temperatures, contributing to improved horsepower, torque, and overall vehicle performance.

Technical Specifications

Core Dimensions	665*144 mm
Tank Size	72/72*145 mm

Compatibility

Compatible Vehicle	AUDI A4/S4 1.8 TFSI
Model Years	2007-
OEM Part Number	8K0.145.805 G

Cross Reference

Interchange Data

Reference Type	Value
DPI	96567
NISSENS	56039
