

High-Speed Steel Twist Drill Bit Set

This high-speed steel twist drill bit set is designed with a blue finish. It is available in plastic cases and comes in roll forged or full ground options.

Product Overview

High-Performance HSS Twist Drill Bit Sets

This professional-grade high-speed steel (HSS) twist drill bit set is designed for precision and durability in demanding metalworking applications. Featuring a durable blue finish and options for both roll-forged or full-ground manufacturing processes, these bits provide excellent heat resistance and longevity. The sets are conveniently organized in sturdy plastic boxes, catering to various size requirements for versatile drilling tasks.
