

High Visibility Polycotton Cargo Pants

These high-visibility cargo pants are constructed from durable polycotton fabric. They feature a contrasting color combination to enhance visibility and style, along with multiple pockets including a cargo pocket.

Product Overview

High Visibility Polycotton Cargo Pants

These professional-grade cargo pants are engineered for demanding work environments, combining high-visibility features with durable construction. Crafted from a blend of cotton, polyester, and elastane, they offer both comfort and resilience. Designed with functionality in mind, they feature multiple pockets, triple stitching, and reliable PVC zippers to withstand daily wear in industrial settings.
