Product Overview

High-Visibility Safety Solutions

This high-visibility reflective safety strap is designed to enhance personal safety during outdoor activities, day or night. Constructed from durable, lightweight polyester, it provides 360-degree visibility to ensure you remain seen in low-light conditions. The adjustable, one-size-fits-all design features a simple, user-friendly structure that is easy to wear over clothing, making it ideal for cyclists, joggers, motorcyclists, and construction workers.
