

Horizontal Metal Cutting Band Saw

This horizontal metal cutting band saw is designed for cutting various metal materials. It features a robust frame, adjustable cutting speed, and a coolant system for efficient operation.

Overview

Versatile Metal Cutting Solution

The BS-115A Horizontal Metal Cutting Band Saw is a robust tool designed for precision cutting of various metal materials in industrial and workshop environments. It features a flexible design capable of handling both circular and rectangular workpieces with adjustable cutting angles. With its reliable V-belt drive and multiple blade speeds, this machine ensures efficient operation for professional B2B sourcing needs.

Performance Metrics

Key Performance Metrics

115 mm

Max Circular Capacity (90°)

375 W

Motor Power

61 kg

Net Weight

Cutting Capacity

Cutting Capacity Specifications

Shape	Angle	Capacity (mm)	Capacity (inch)
Circular	90°	115mm	4.5"
Rectangular	90°	100x150mm	4"x6"
Circular	45°	100mm	4"
Rectangular	45°	60x100mm	2.4"x4"

Technical Specifications

Drive System

V-BELT

Blade Dimensions

12.7 x 0.64 x 1683 mm

Motor Specifications

375W (1/2 HP) 50/60Hz

Operation

Blade Speeds

- 60Hz: 24, 37, 67 MPM
- 50Hz: 80, 120, 220 MPM

Logistics

Packing Dimensions	96 x 45 x 46 cm (38"x18"x18")
Gross Weight	64 kg
