

Household Electric Iron for Garment Care

This household electric iron smooths fabrics using heat and pressure. It is equipped with a temperature control, non-stick soleplate, and ergonomic handle for ease of use.

Product Overview

Efficient Garment Care

This household electric iron is engineered to provide smooth and efficient wrinkle removal for a variety of fabrics. Designed with user comfort in mind, it features an ergonomic handle and a lightweight build that makes daily garment care tasks effortless. The non-stick soleplate ensures a smooth glide across clothes, helping you achieve professional-looking results at home.
