

Household Electric Steam Iron

This electric iron is designed for ironing clothes in a household setting. It features a temperature control dial, a non-stick soleplate, and a comfortable grip handle.

Product Overview

Efficient Household Steam Ironing

Designed for versatility and ease of use, this electric steam iron is an essential tool for maintaining garments. It features a durable non-stick soleplate and intuitive temperature controls, allowing for precise ironing across a wide variety of fabric types. The lightweight construction and ergonomic handle ensure comfortable handling, while the integrated steam function effectively removes stubborn wrinkles for a professional finish.

Key Features

Core Capabilities
