

Household Electric Steam Iron

This household electric steam iron features adjustable temperature control. It is equipped with a non-stick soleplate and a transparent water reservoir.

Overview

Efficient Household Steam Iron

This household electric steam iron is designed for efficient and smooth wrinkle removal on a variety of fabrics. It features an intuitive adjustable temperature control system and a transparent water reservoir with a clear 'MAX' fill line indicator for easy monitoring. With its non-stick soleplate, the iron ensures a smooth glide across garments, making it a reliable tool for daily laundry needs.
