

Household Steam Cleaner

This steam cleaner is designed for efficient and hygienic house cleaning. It utilizes high-temperature steam to effectively remove dirt, grime, and bacteria from various surfaces.

Product Overview

Professional Cleaning Performance

This household steam cleaner offers a powerful and chemical-free solution for maintaining a hygienic environment. Engineered with a robust 1000W heating element and 4bar pressure, it efficiently tackles grime, bacteria, and dirt across various household surfaces. Its portable, wheeled design ensures ease of movement, making it an ideal choice for both routine sanitization and deep cleaning tasks.
