

Hydraulic Barber Chair with Footrest

This vintage hydraulic barber chair features a black vinyl seat and backrest, complemented by a footrest. The chair's hydraulic system allows for easy height adjustment.

Overview

Classic Hydraulic Barber Chair

This vintage-inspired hydraulic barber chair combines classic aesthetics with functional design, making it an ideal choice for professional barber shops. Featuring durable black vinyl upholstery and a sturdy frame, it provides both comfort for clients and reliability for daily use. The integrated hydraulic pump system allows for smooth height adjustments, ensuring ergonomic positioning for barbers during haircuts and shaves.
