

Hydraulic Power Steering Gear for VW Bora

This power steering gear assembly is designed for VW Bora vehicles. It features a hydraulic power assist system for smooth and responsive steering.

Product Overview

Hydraulic Power Steering Gear Assembly

This hydraulic power steering gear assembly is engineered for responsive and smooth vehicle handling. Designed with durability in mind, the unit features protective boots to shield internal components from debris and is built to withstand daily operational rigors. It includes all necessary hydraulic line connections and precise mounting points for a direct, simplified installation process on compatible vehicle models.

Compatibility

Compatible Vehicle Models

- VW Bora
- Audi A3 (8L1)
- Skoda Octavia (1U2)
- Volkswagen Golf 4 (1J1)
