

Hydraulic Shock Absorber for Lada 2121

This hydraulic shock absorber is designed for Lada 2121 vehicles. It provides enhanced stability and comfort for both on-road and off-road driving.

Product Overview

Hydraulic Shock Absorber System

This high-performance hydraulic shock absorber is precision-engineered to provide superior ride control and handling for Lada 2121 vehicles. It effectively minimizes vibrations and road oscillations, offering enhanced stability and comfort for both on-road and off-road driving conditions. Built for durability, this component ensures consistent suspension performance and vehicle safety, making it an ideal choice for maintenance and upgrades.

Identification

Product Number	QXJZ001-343098
OEM Reference Numbers	4155822, 4189017, 4434933, 94167878, 94455823, 2101-2915402, 2121-2915402

Compatibility

Compatible Makes and Models

Make	Model	Engine/Years
LADA	Niva (2121)	00-
LADA	Niva II (2123)	02-
MITSUBISHI	L 200 (K__T)	86-96
FIAT	124 Familiare	67-73
SEAT	124 Estate	70-74
