

IEC C13 Power Cord Connector

This right-angle IEC C13 connector is designed for power cords. It is suitable for various electric appliances.

Product Overview

Reliable IEC C13 Power Connectivity

The IEC C13 power cord connector is a standard, robust solution designed for supplying AC power to a wide range of electronic equipment, including computers, monitors, and various peripherals. Featuring a durable housing and integrated strain relief, this connector ensures a secure, long-lasting connection for critical hardware. It is built to comply with major international safety standards, making it a reliable choice for global electronic applications.

Technical Specifications

Rated Current Options

- 10A
- 13A
- 15A

Rated Voltage Options

- 125V
- 250V

Standard	IEC60320-C13
Model Number	XR-501L

Compliance & Quality

Safety Approvals	UL, CUL, VDE, SAA, CCC, ASTA, ENEC
Color Options	Customizable upon request

Logistics & Terms

Port of Loading

- Shunde
- Guangzhou
- Shenzhen

Minimum Order Quantity	1000 pieces
Payment Terms	T/T, L/C at sight
