

Impact Drill

This impact drill is designed for various drilling applications. Its robust motor delivers powerful drilling in wood, metal, and concrete.

Product Overview

Professional Impact Drill

This high-performance impact drill is engineered for versatility across a wide range of drilling applications, including wood, metal, and masonry. Featuring a robust 850W motor, it delivers the power necessary for demanding tasks while maintaining precision control. The ergonomic design ensures comfort during extended use, making it a reliable tool for professional environments.

Performance Specifications

No Load Speed

- 0-3000/min
- 0-1100/min

Blows Per Minute

- 45000 BPM
- 16500 BPM

Input Power

850 W

Rated Voltage/Frequency

230-240V/50Hz

Drilling Capacity

Maximum Drilling Capacity

Material	Max Capacity
Steel	13mm
Wood	30mm
Masonry	16mm

Chuck Capacity

13 mm

Physical Attributes

Net Weight

3.8 kg

Packing Dimensions

37 x 9 x 28.5 cm
