

In-Ear Wired Headphones

These in-ear headphones deliver clear and balanced audio, suitable for music, podcasts, and calls. They have a durable, tangle-resistant cable and a standard 3.5mm audio jack.

Product Overview

Professional Audio Performance

The LKT-C21 in-ear wired headphones are designed to deliver clear, balanced audio for a variety of professional and personal uses. Featuring a comfortable fit with noise-isolating silicone tips, they ensure extended listening comfort for music, podcasts, and calls. With a durable, tangle-resistant cable and a universal 3.5mm jack, these headphones offer reliable performance and broad compatibility across devices.
