

# Indoor Ceiling Fan with Light

This ceiling fan provides air circulation and lighting for indoor spaces. It features a bronze finish, five wooden blades, and an integrated light with a marbled glass shade.

## Product Overview

### Sophisticated Indoor Climate Control

This indoor ceiling fan combines classic aesthetics with practical climate control. Featuring a refined bronze finish and five wooden blades, it is designed to enhance both the style and comfort of your living space. The integrated light fixture, enclosed in a marbled glass shade, provides soft ambient illumination, while the pull-chain mechanism ensures simple, reliable operation for both fan speed and lighting.

## Design & Construction

Finish	Bronze
Blade Material	Wood
Number of Blades	5
Shade Style	Marbled glass

## Energy Efficiency

### Energy Savings Analysis

AC Power (P)	Daily Savings (\$)	Monthly Savings (\$)
1P (1200W)	2.622	78.66
2P (2200W)	5.182	155.46
3P (3100W)	7.486	224.58

Operational Benefit	Reduces air conditioner load by up to 40% when used in summer
